

WELCOME | DECEMBER 31, 2017

Everyone loves a fresh start. In God’s great design He has designed time not only to be linear but also cyclical. Because of that we get a chance to begin not only every day afresh but every year afresh as well. I would like to encourage you to take advantage of the new year by purposing in your heart to make it your best ever. Let 2018 be a year of eternal significance, needed change, new friendships, strengthening family ties, constructive adventure, and a life determined to give its best to the Lord. God’s mercies and grace are new every morning and that applies to the coming year as well.

Pastor

HAPPY NEW YEAR!

He hath made every thing beautiful in His time:  
also He hath set the world in their heart,  
so that no man can find out the work that God  
maketh from the beginning to the end.  
- Ecclesiastes 3:11-
