

WELCOME | NOVEMBER 11, 2018

This morning we are kicking off our annual Missions Conference. Supporting missions is an incredible opportunity and provides for people around the world to hear the Gospel and know Christ. Let me encourage you to be present each night of the conference, pray about your financial involvement, and participate in the offering next Sunday morning. We can do eternal things with temporal dollars if we invest them wisely; let me encourage you to make that choice.
