

WELCOME | MAY 6, 2018

Welcome to church this morning; we are looking forward to a great day in the Lord. I want to encourage you to participate in every part of the service by singing whole-heartedly, greeting those around you warmly, and listening intently for personal application in both Sunday School and the morning service. You will get more out of our time together if you actively participate in the service rather than sit as a spectator. The biblical principle is that it is more blessed to give than to receive, so give yourself to the morning worship and you will leave blessed.
