

WELCOME | MAY 13, 2018

Recognizing our mother's influence and investment in our lives is what we will be celebrating today. God has a very high view of motherhood and the contributions they make and we should as well. Let me encourage you to take some time today to express your love and appreciation for your mom. Notes, flowers, and gifts are all wonderful gestures, but the greatest gift of all would be to honor them with the way you live your life and to say the words... I love you!
